

B2B COMMERCE AT ITS BEST

Streamline the order entry and tracking process for your sales professionals and customers. Integrated with the order management system, **Visual SFA** provides secure, real-time visibility of orders and other sales information on any device.

YOUR CUSTOMERS WILL LOVE IT

With Visual SFA's completely redesigned look and feel, your B2B customers will love flipping through beautifully designed catalogue displays and intuitive product information. Customers can easily:

- View Product Images & Details
 - Inquire about Order Status
 - Check Inventory
- Place New Orders
 - Create & Receive Line Sheet Reports
- Create Order Worksheets
 - Review Order Statistics
